Humans of Tomorrow with Laily Fitri.

Published by David Miguel 171 · 11 June · €

"The problem with Islam and women empowerment is not about whether the Qur'anic teachings are oppressive to women - because they are not - or whether the Islamic teachings are inherently violent - because every religious teaching is either a potentially peaceful or a violent one - .

Patriarchal domination in thoughts, social and religious discourses, cultural practices, and political and economic systems is the root of the problem. When patriarchal domination meets religious ... See more

KEY TAKEAWAYS

FOR ENGAGING YOUTH TO HELP PREVENT AND COUNTER EXTREMISM

- Make it local and keep it relevant
- Engage partners and experts
- Set a goal and give ownership
- Be creative! Move beyond traditional workshops
- Impart tangible skills
- Follow-up is crucial
- Evaluate & improve
