- Federal level : Security service, intelligence service, prisons, social security, taxes legislation
- Regional (territory based) and Community (language based) level : formal and non formal education, employment legislation, culture, major level of economic power
- Local level : districts and provinces : local security, social cohesion

French speaking community- Federation Wallonie-Bruxelles (formal and non formal education - youth help - sport - culture - adult education)

2015

- Creation of the Network Against Radicalism (RAR)
Coordination of the prevention actions taken by the institutions of the FWB
Raising awareness and providing trainings to the sectors (FWB)

2016

- RAR becomes the Réseau de prise en charge des extrémismes et radicalismes violents – creation of the strategic committee and 3 operational centers (CREA and CAPREV - mobile teams)
- specificity : a strategy with 2 objectives : 1. handle individuals or family confronted with violent extremism or radicalism and try to start a disengagement process 2. give tools to the NGO's which are in direct contact with the population and the youth public

2017

- Opening to the public

FWB Network

- Raising awareness and empower institutions and operators
- Respond to the concerns of the field (schools, associations,...)
- Respond to families and individuals requests
- Reinforce the « moral resistance » towards extremisms

An answer adapted to each situation
