

# THE AARHUS MODEL

## -A multi-agency approach

Allan Aarslev, East Jutland Police  
Natascha Mannemar Jensen, City of Aarhus

# Crime prevention

SSP

Schools – Social Services – Police

- SSP have since the 70's been a crime-prevention network for children and the young
  - Since the late 90's have also included adults

**Deradicalization in Aarhus is built on this structure**

# Common Language
